

CAPABILITIES STATEMENT

Quality Contractors has been a commercial utility contractor and general contractor for over 30 years in Central Texas and nationwide. We have long-standing, repeat customers. Our goal is to enrich our customers' lives, which is why we do what we do to ensure our clients have a memorable experience and build relationships to improve people's lives. We specialize in underground utilities, demo, public and private roads, public housing, parks, ISD projects, and all types of civil work – from private to municipal to federal. We try not to be just another contractor but a company people can trust. Let us show you our quality work.

OUR GOAL

At Quality Contractors, our commitment is to provide the utmost satisfaction in quality workmanship with uncompromised integrity. Initially founded by Tony Salmeri in the 80s, Quality Contractors. has become a significant competitor in commercial utility and civil construction in Central Texas. Our goal: Completing multifaceted projects on – or before – our scheduled completion dates and building lasting relationships through our QUALITY work.

KEY SKILLS AND COMPETENCIES

- Nearly four decades in construction
- Respectful, friendly relationships with customers and A/E teams
- Experienced, skilled project managers and superintendents
- From dirt work to sewer/water to demo to concrete, Quality has experienced staff
